Meet the Founder

Founder name

Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

We make sure it's crafted to perfection

Launched by the visionary founder and managing partner of Pixie Dust, House of Jobhan offers a refined approach to luxury gifting. We craft personalised gifts, curated hampers, and tailored experiences that resonate with your unique essence—like a bespoke piece, made just for you. From intimate, poetic gestures to bold, statement-worthy designs, we cater to all styles. We also specialise in corporate and bulk orders, ensuring every occasion is thoughtfully celebrated. With House of Jobhan, every gift is more than just a present—it's a story of elegance, crafted with care and attention to detail.
